

## IB PYP Teaching Career Opportunities Kindergarten-Grade 4

1. Grades 1-4: Amman Academy, an International Baccalaureate (IB) World School, is recruiting native or near native English speaking university graduates to be trained to teach the IB Primary Years Programme (PYP). After an initial one year training contract, with a monthly salary of JD 500, successful candidates, as teachers qualified to teach the IB PYP programme, will be offered a regular contract with a substantial salary increase.

The Primary Years Programme of the International Baccalaureate is designed for students aged between 3 and 12. Applicants are expected to teach English, science and math to the same class of children. The one-year full time training will be offered at the school under the direction of a full time PYP consultant and international educator, experienced at training teachers and supporting schools as they implement the programme.

2. Kindergarten: Amman Academy also has vacancies for native or near native English speaking teachers for their kindergarten. Salaries and conditions are competitive and the work environment congenial. Successful candidates will receive training to become professional teachers.

All applications will be treated with the utmost confidentiality. Interested candidates please send their CV and a recent photo by email to [hr@aa.edu.jo](mailto:hr@aa.edu.jo) together with the names and contact numbers of two referees.
